

His Heart for **One**. His Heart for **Many**.
Our Hearts for **Him**.

Presenting...

Journey to the Father's Heart *A Weekend Experience*

There is no way to adequately describe the void created in our lives when we cannot regularly enjoy the love of Father God. Often, our own relationship (or lack of one) with our earthly father or other life challenges can prevent us.

Our journey is designed to help take you to the Father's heart so that you might find all the treasure He fashioned for you and in you. We want to help you discover and enjoy the fullness of loving God yourself, as well as receiving His love. We want to help overcome any barriers, lack of forgiveness or misconceptions so that this is possible. It is a process, and that is why we call it a journey.

Sessions Include:

- Journey 1:** Learning to Live from the Overflow of the Father's Heart - Overcoming our Shame
- Journey 2:** Discovering the Father's Love - Understanding Our Significance
- Journey 3:** Dealing with our Concept of Fairness - Understanding Our Purpose in Life
- Journey 4:** Seeing Ourselves as Sons - Understanding Our Identity

Each session involves teaching, training, impartation, prophetic utterance, prayer, personal ministry time and dynamic worship. The sessions are intended to be interactive. We aspire to cooperate with the work of the Holy Spirit in the manifestation of the Father's Love.

Sessions are open to all, and couples are encouraged to attend and grow together in this journey.
